

CHANGE IN FILE STATUS  
APPROVAL FORM

DATE January 16, 1987

CURRENT FILE NO. ACT/037/047

RECOMMENDED FILE NO. INA/037/047

COMPANY AND MINE NAME Plateau Resources, Ore Buying Sta.

REASON FOR CHANGE IN FILE STATUS

Plateau Resources submitted a mine and reclamation plan to the Division on November 14, 1979 for their Blanding Ore Buying Station. This submittal was made so that the Board could hold a surety on the operation's reclamation (rather than the NRC). Plateau shut down the Ore Buying Station in January, 1980 and requested that the Division discontinue the permit review and surety arrangements.
